

Help Out a New Study About Social Perceptions for Children!

Do you have a child between the ages of 3 and 5 years? If so, we have a new IRB-approved research study looking at social perceptions for children!

This study takes place at Duke University in Durham, and the whole visit takes less than an hour to complete. You will get free parking, and your child will also get to pick a toy as a prize to take home as well!

If you are interested, please email us at DukeIDLab@gmail.com with “Group Kids Study” in the subject line or call us at (919) 660-5790
